RECITALS

Estate Land is a digital marketing company partnered with multiple brokerages, each holding a real estate license in their respective states but does not engage in representing consumers in real estate transactions. Our platform is used by brokers, agents, homebuyers, and home sellers to facilitate real estate transactions collaboratively and transparently. Homebuyers and home sellers who want to use our platform are paired with brokers and agents with whom we have a Referral Agreement as part of our Professional Match Program (the 'Program').

1. Services Provided

Under the **Premier Package**, Estate Land agrees to provide the Agent/Broker with both buyer and seller leads within the agreed-upon geographical areas. The parties agree that the service

provider (hereinafter referred to as "Estate Land") will deliver up to 7 referrals per month to the agent/broker. It is understood that the quality and quantity of leads may vary based on market conditions and other factors.

2. Exclusivity; Non-Exclusivity

Broker/Agent understands that leads will be exclusive to Broker and Agent. Although the lead may itself have other options Estate Land does not bind any contract with the lead itself. However, exclusivity may depend on various other measures to ensure a lead is responded to as quickly as possible and secured as a client of a Broker or Agent in the Program.

3. Referral Acceptance

When Estate Land informs a Broker or Agent that a lead is available, the Broker or Agent will be allowed to either accept or deny the lead based on the following understandings and agreements:

a) Acceptance: All leads delivered to Brokers and Agents are considered accepted leads upon delivery ("Lead Acceptance"), unless one of the following circumstances applies:

b) Denial: Broker or Agent has the right to deny a lead by providing written notice to Estate Land within (48-72) hours of Lead Acceptance due to the following reasons:

- If a lead upon contact is not looking to buy or sell within 6 to 9 months.
- If a lead is not exclusive or already under contract with any other agent/broker.
- If a lead is not responding to your calls/texts despite multiple attempts.
- If a lead is not within your designated territory.
- If a lead is already your existing client.

Note: Denying a Lead does not absolve the Broker of its obligations in the Compensation section of this Agreement, should the Broker and/or Agent end up representing the Referral within the following twelve (12).

c) Existing Customer or Client: If the Broker or Agent can provide documented proof within Twenty-four (24) hours of Lead Acceptance that the Lead was already under an agency contract with the Broker at the time of Lead Acceptance or had been in communication with the Broker and Agent of their own accord within fifteen (15) days before Lead Acceptance, then Broker shall be relieved of its obligations in the Compensation section of this Agreement.

4. Compensation

a) Membership Fee: Agent/Broker agrees to an annual Membership fee of **\$1050** to join the Estate Land network. This fee can only be deducted from the Estate Land commission fee portion by the Agent/Broker who closes on Estate Land lead(s).

b) Commission Fees: Agent/Broker agrees to pay Estate Land **10%** of the Net Commission for any real estate brokerage services of any real estate transactions of Estate Land provided leads (including subsequent purchase, sale, or lease commissions on any property) involving the lead during the lead Coverage Period.

c) Net Commission: The amount the Agent/Broker is eligible to receive as stated in agency agreements and closing document(s), including any bonuses paid. Net Commission does not consider any discounts or commission reduction a Broker or Agent may extend to a lead; it is not necessarily the commission that the Broker/Agent receives.

d) Fee Deduction/Credit back: Agent/Broker may deduct the one-time membership fee from the first closing of Estate Land provided lead(s).

e) 12-Month Closing Guarantee: Estate Land guarantees that at least 3 transactions will close within twelve (12) months of the Agent/Broker's active participation in the program. If no transaction occurs, the Agent/Broker may request an equivalent lead replacement, subject to Estate Land review and verification of compliance with program requirements.

f) Refund Policy: Refund will only be granted under Section (e). Dissatisfaction, lack of effort, or change of mind do not qualify. All Issues must be reported via live call or email within 24 hours of lead receipt for consideration.

5. Term and Termination

a) Term and Termination: This Agreement shall become effective on the Effective (Signing date) and will remain in effect for 12 months following the Effective Date and will renew for successive twelve (12) months. Estate Land or Agent/Broker may terminate this Agreement, with or without cause, at any time upon thirty (30) days before written or emailed notice of termination to the other party. Agent/Broker must complete the cancellation form and submit it to Estate Land to process the cancellation and reconfirm it with a cancellation confirmation number.

b) Effect of Termination: Termination of this Agreement by either party shall have no impact on any compensation, credits or discounts, or other amounts owing or payable, or that are later earned because of a Lead Acceptance by Broker which occurred before the termination of this Agreement.

6. Governing Law

This Agreement shall be governed by and construed under the laws of the United States, without regard to its conflict of laws principles.
